Refrain

Christ - mas Is here. a time of cheer. We'll paint it joy - ful - ly.

A rain-bow bright of heav'n - ly light. What col-ors do we see?

2

see? Red, red, red.

1) First color's red - one we should dread,
It shows the mark of sin.
But crimson stain will not remain,
A new life can begin.

Refrain

2) Now in God's sight the color's white,
A full atonement made.
By grace I'm free eternally,
The ransom has been paid.

Refrain

3) It's life that's seen - so paint it green,
I've wakened fresh and new.
Now I must tell this story well,
That you can feel it too.

Refrain

4) Last color's gold - great wealth untold,
Because of love divine.
I now can see God cared for me,
The crown of life is mine.
