Kids love museums! There are science museums, ancient artifact museums, natural history museums, art museums, and lots of hand-on museums. Museums are places where we can learn all sorts of fun and exciting things and where we can marvel at the old and enjoy the new. This course is about a museum called the Bible Discover Museum. Just at the name implies, at this museum we make interesting discoveries about the Bible because, "everything that was written in the past was written to teach us." This imaginary museum contains five great hallways. Each hall teaches us about God's love and how his children respond to that love. Every day we enter a different hall where Bible heroes share an interesting artifact as they tell their stories.
