Weather is always on the minds of children as well as adults. This exciting course is filled with weather fun, beginning with the opening devotions that feature a complete set of a television weather studio where your "meteorologist" gives the forecast each day on a movie screen just as if your were watching TV. The lessons that teach us God's truths are all weather related, from rain to dew, from floods to sunshine.

SPECIAL WITH THIS COURSE: Each lesson is introduced with a science experiment; course includes skits besides the opening devotion monologue; there is a printable 12-page weather science booklet.

DAILY OPENINGS: Devotions are suggested to be used with the setting of TV station W-O-R-D weather studio that includes map transparencies. All instructions and dialogue are included.

ADDITIONAL ITEMS:

- **ECONOMICAL** Compare costs with any major publishers and you will see the savings!
- **RESOURCEFUL** You can't order too much or too little - just print what you will need!
- **ENJOYABLE** Graphics and art work are used extensively! Lots of fun things to do.
- **EASY TO FOLLOW** Everything is simple and concise!
- **TEACHABLE** Usable for new and experienced teachers!
- **REUSABLE** Bring it back to life years from now!
- **EFFECTIVE** Very, very effective!
- **VERSATILE** Order either disk or download.

Kremer VBS Programs are Entirely Reproducible. What Does This Mean?

With a Kremer Vacation Bible School course, reproducible means REPRODUCIBLE! You have our permission to make copies of everything within the course including lessons, teacher materials, song disks and sheet music. All we ask is that you do not share these VBS materials with other churches.

NIV and King James Vacation Bible School Included!

You have the option to print out lessons either in King James or New International versions.
